Dear Mr. Royce:

We have received and reviewed your proposed activities for maintaining your mining claims in the Crack Canyon Wilderness Study Area (UT-060-29A) and we have determined that such activities constitute casual use and thereby do not require a plan of operations as per 43 Code of Federal Regulations 3802.1-2. We would like to remind you that no vehicle use, camping, or road maintenance will be allowed within the Crack Canyon Wilderness Study Area.

Enclosed is a blank copy of a Notice or Plan of Operations as requested.

If you have any questions, please feel free to contact Neil Simmons of my staff at 801-637-4584.

Sincerely yours,

PENELOPE J. SMALLEY
